

# AULA Colossus Gaming Headset

AULA Colossus gaming headset will make you a giant on the battlefield. The high quality sound means that you will hear your enemy perfectly - all you need is to hunt him down. You'll be able to coordinate assault with ease: the headphones ensure that you'll hear everything your friends say while the sensitive microphone will capture any order you give. And don't worry about fatigue setting in: the Colossus features an auto-adjustable headband that makes it a pleasure to wear. The ear-cushions are no less comfortable. As an added bonus, they feature cool illumination for that stylish look.

## Features

### High quality sound

Clear and natural sound leads to great gaming experience

### Illuminated ear cups

Unique and stylish look

### Sensitive microphone

Ideal for chatting with friends during the game

### Comfort

Soft-headband and ear-cushions are pleasant to wear, auto-adjustable headband is a nice convenience since you don't have to adjust it manually

### Durable

High quality, sturdy materials and reinforced cable to endure daily gaming
